

EARTH DAY

Nature scavenger hunt

Look around you! You can find a lot of interesting things in nature. Go for a walk in a park or forest with your classmates, friends or family and do a scavenger hunt. Work alone or in teams and check items off this list as you find them. Remember to respect the nature around you!

Ready? Steady, go!

A mushroom (do not eat it!)

An ant carrying something

A log

A brown leaf

A caterpillar on a tree

A bird's nest (do not disturb the eggs or birds!)

A critter that lives under a log or rock

A pine cone

A green leaf

A bird feather

An insect

A spider web

A fallen branch

A flower

Moss

A hole in a tree

An interestingly shaped rock

A tree stump

Water

Something red

A stick

Tree roots
